Without You

VERSE 1

It feels like a lifetime, A thousand days have passed by Since I held you close to me If I could see that smile from my friend I know that I could live again I need you here with me

CHORUS

Heaven knows what to say Even though for right now youlre so far away I hope and I pray Somewhere in your heart IOII always stay Girl, lately my sun doesnot shine without you Never noticed what it feels like to be without you Feels like I took my last step And my last breath and my life ended Had to say just what I was feeling, girl DCause my sun doesnot shine, Sun doesnot shine without you

VERSE 2

This is more for me than for you Girl, I finally see thereDs no substitute For what we have Do you know how much I love you? And what weDve shared I canDt forget Girl, a love like yours IDll never let just slip away Just promise me that youDll stay

CHORUS

Heaven knows what to say Even though for right now youlre so far away Gonna tell you and show you Do whatever I can do to get back to you Girl, lately my sun doesnot shine without you Never noticed what it feels like to be without you Feels like I took my last step And my last breath in my life ending Had to say just what I was feeling, girl DCause my sun doesnot shine, Sun doesnot shine...

BRIDGE

Have you ever seen a flower that never blooms

See a starless night without the moon
Well that□s me without you
So come back and turn my night into day...
...cause lately,
my sun doesn□t shine without you...

□Cause my sun doesn□t shine, Sun doesn□t shine without you
