Half As Much

Kyle Riabko

There's no better man for you And you'd understand it to If you loved me Half as much as I love you

The beautiful smile on your face Would never fade away If you loved me Half as much as I love you

Well, the sun - it would be shining Cause the rain would do the crying There'd be nothing to worry your precious mind The lions would be tame And the birds would sing your name And it wouldn't be hard to understand why

You would be walking so proud Find yourself laughing out loud If you loved me Half as much as I love you

Well, the angels up above Would be jealous of your love They'd be watching with envy As you walk by The lions would be tame And the birds would sing your name And it wouldn't be hard to understand why

You would be warm at night Forever by my side If you loved me Half as much as I love you
