

You Get Me

Kylee

Whoa oh (X3) sometimes I feel like a misfit, I feel like a freak
. It never comes out right, when I try to speak. But the moment
I'm with you, everything starts making sense, cause you get me
.

You've got my heart in your hands, you're the only one who gets
me. Nobody else understands, they look at me like I'm just cra
zy. And you see who I am and all the things that I've been drea
ming of. And I'm so in love cause you get me.

Whoa oh, sometimes I feel like a loser, but you don't care abou
t that. When I say something stupid, you're the only one who la
ughs. I thought I was the strange one. But, when I'm with you I
fit right in, cause you get me.

You've got my heart in your hands, you're the only one who gets
me. Nobody else understands, they look at me like I'm just cra
zy. And you see who I am and all the things that I've been drea
ming of. And I'm so in love cause you get me.

And now the world, is so brand new, after everything that I've
been through. I've finally found it, someone who gets me inside
, for once in my life.

Whoa oh (X3) cause you get me! You've got my heart in your hand
s, you're the only one who gets me. Nobody else understands, th
ey look at me like I'm just crazy. And you see who I am and all
the things that I've been dreaming of. And I'm so in love caus
e you get me.

You've got my heart in your hands, you're the only one who gets
me. Nobody else understands, they look at me like I'm just cra
zy. And you see who I am and all the things that I've been drea
ming of. And I'm so in love cause you get me.
