

## Hollow Severer

Kylesa

Standing ground for falling days  
Overwhelmed with harming ways  
Illusion is in sight  
Forthcoming blinding light  
Hollow severer  
Shallow profferer  
Swallow the bitter words  
Silence is never heard  
Illusion is in sight  
Forthcoming blinding light  
Hollow severer  
Shallow profferer  
It's not supposed to happen this way  
Lost all function - now it's getting under my skin  
Failing to understand what has been gained
