

## Insomnia For Months

Kylesa

There is no choice  
Crash into mirrors  
Visions in the pieces  
Comprise a whole picture  
Energy is cheating  
Insomnia for months  
There is no choice  
Cannot count fingers  
Multitude of memories  
Left in a stupor  
Sobriety out of boredom  
Insomnia for months  
Structure was never solid  
I built it earthworn
