Just loose yourself  
Give into the music, oh you can do it (yeah yeah)  
And free your mind  
Don't think about it, now were running, dancing

Don't wanna turn it down  
Im hungry for your sound  
I wanna loose myself (oh i like your rhythm)  
And i can't help myself  
For me there's no one else  
I wanna loose myself in your beats per minute!

A facinating rhythm devine
