

Chasing Ghosts

Kylie Minogue

Like it's suffering

I have this feeling
It is forever
That forever is so close

I hear you calling after midnight
After all night like a Van Gogh

So allelujah
The feeling is going through her
Like a food caught into her throat

If I lose her
I don't know what I would do
You got my eye chasing off ghosts

You got me here waiting for your love
You got me here waiting for you
You got me here waiting for your love
You got me here waiting for you

With all this nature
They calling names so they know
Yeah, they what they know

I'm hearing voices
Drowning out the noises

So allelujah
The feeling is going through her
Like a food caught into her throat

If I lose her
I don't know what I would do
You got my eye chasing off ghosts
