

# Christmas Wrapping

Kylie Minogue

Bah Hum.. but that's too strong!  
Cause it is my favorite holiday  
But all this years been a busy blur  
Don't think i have the energy  
To add to my already mad rush  
Just cause 'tis the season  
The perfect gift for me would be  
Completions and connections left  
From last year, ski shopping, counter most interesting  
Had his number but never the time  
(Most of '81 past along those lines)  
So deck those halls and trim those trees  
Raise up cups of Christmas cheer  
I just need to catch my breath  
Christmas by myself this year

Calendar picture, frozen landscape  
Chill this room for twenty-four days  
Evergreens, sparkling snow, get this winter over with  
Flash back, to spring time, sun again (why?)  
Would have been good to go for lunch  
Couldn't agree when we were both free  
We tried, we said we'd keep in touch  
Didn't of course till summer time  
Out to the beach to his boat could have joined him  
No this time, it was me, sunburn in the third degree  
Now the calendars just one page  
Of course I am excited  
Tonights the night but I've set my mind  
Not to do too much about it  
(Christmas is over)  
Oh, no you don't

[x2]  
Merry Christmas, Merry Christmas  
But I think I'll miss this one this year  
Merry Christmas, Merry Christmas  
But I think I'll miss this one this year

Hardly dashing through the snow  
Cause I bundled up too tight  
Last minute have-to-do's  
A few cards a few calls  
Cause it's r-s-v-p  
No thanks, no party lights  
It's Christmas Eve, gonna relax  
Turned down all of my invites  
Last fall I had a night to myself  
Same guy called, halloween party  
Waited all night for him to show  
This time his car wouldn't go, (I'm sorry)  
Forget it, it's cold, it's getting late  
Trudge on home to celebrate  
In a quiet way, unwind  
Doing Christmas right this time

A&P has provided me with the world's smallest turkey

All ready in the oven, nice and hot  
Oh damn, guess what I forgot?  
So on with the boots back out in the snow  
To the only all night grocery  
When what to my wondering eyes should appear?  
In the line is that guy  
I've been chasing all year  
(I'm spending this one alone) he said  
(Need a break this year's been crazy)  
I said me too, but why are you..?  
You mean you forgot cranberries too?  
Then suddenly we laughed and laughed  
Caught on to what was happening  
That Christmas magic's brought this tale to a very happy ending

Merry Christmas, honey  
(Merry Christmas baby)

[x2]  
Merry Christmas, Merry Christmas  
Couldn't miss this one this year  
Merry Christmas, Merry Christmas  
Couldn't miss this one this year
