

# Every Day's Like Christmas

Kylie Minogue

Thinking of you  
Thinking of all that you do to me  
Out of the blue  
All that I hope  
But live without it  
Fell into fume  
And to the light that moved right through me  
It's all coming true  
And now everyday's like Christmas

Until you, everyday was ordinary  
It's true and now everyday's like Christmas

All 'cos of you  
On now there's angels all around me  
I was down and disused  
And now I can't believe you found me  
Thinking of you  
Thinking of all the storms we weathered  
Thanks for pulling me through  
I hope we'll always be together

'Cos it's true  
Everyday before was heavy  
And now everyday's like Christmas

Oh, you're just extraordinary  
And all before my hopes are wary  
Now my dreams are coming very true

I'm falling, I'm falling  
I'm falling into you

Oh, you're just extraordinary  
It's true, you make everyday like Christmas

Oh, everyday  
Everyday's like Christmas  
Oh, everyday  
Everyday's like Christmas  
Everyday  
Everyday's like Christmas  
Everyday  
Everyday's like Christmas
