Give Me Just a Little More Time

Kylie Minogue

Give me just a little more time And our love will surely grow Give me just a little more time And our love will surely grow

Life's to short to make a mistake
Let's think of each other and hesitate
Young and impatient we may be
There's no need to act foolishly
If we part our hearts won't forget it
Years from now we'll surely regret it

Give me just a little more time And our love will surely grow Give me just a little more time And our love will surely grow

You're young and you're in a hurry You're eager for love but don't you worry We both want the sweetness in life But these things don't come overnight Don't give up 'cos love's been slow Boy, we're gonna succeed with another blow

Give me just a little more time And our love will surely grow Baby, please baby Baby, please baby

Love is that mountain we must climb

Let's climb it together your hand in mine

We haven't known each other too long

But the feeling I have is oh so strong

I know we can make it there's no doubt

We owe it to ourselves to find it out

Just give me just a little more time And our love will surely grow Give me just a little more time And our love will surely grow

Give me just a little more time And our love will surely grow Baby, please baby Baby, please baby

Give me just a little more time And our love will surely grow Give me just a little more time And our love will surely grow

Give me just a little more time And our love will surely grow Give me just a little more time And our love will surely grow
