Come join the loveboat  
We're anchored offshore  
Martinis and bikinis  
Oh, l'amour  
Loved up in lame  
Quest-ce qu'on va faire  
Live your love like Heaven  
Sur la mer

We'll just float 'cause the beach is boring (ouhouhouhouuuu)  
Our loveboat is more alluring (aahaahaaaahahaaaa)  
We'll sail on with savoir fair  
Sur la mer

Have a havanna  
Pass me a peach  
Rub on some lotion  
The places I can't reach  
Cool down with cocktails  
Lose all your cares  
007 Heaven  
Sur la mer

We'll just float 'cause the beach is boring (ouhouhouhouuuu)  
Our loveboat is more alluring (aahaahaaaahahaaaa)  
We'll sail on with savoir fair  
Sur la mer

We're in a place where Heaven breathes (oohouhouhouuuu)  
Making some love and shooting the breeze (aahaahaaaahahaaaa)  
Living out the memories we'll share  
Sur la mer

(Come on join us on the loveboat baby)  
Waltz in the wake  
(Come on join us on the loveboat)  
Of the shore  
(Come on join us on the loveboat)  
I will be there  
(Come on join us on the loveboat)

(Come on join us on the loveboat baby)  
Marine sunset dream

(Come on join us on the loveboat)  
I'm your cure  
(Come on join us on the loveboat)  
I will be there  
(Come on join us on the loveboat)
