

On A Night Like This

Kylie Minogue

1. Don't, say, it's like a fantasy
When, you, know this is how it should be

You kiss me, I'm falling
Can you hear me calling
You touch me, I want you
Feels like I've always known you

R: On a night like this, I wanna stay forever, stay forever
On a night like this just wanna be together
On a night like this

2. Now, I'm, getting closer to you
Hold, me, I just can't be without you

You kiss me, I'm falling
It's your name I'm calling
You touch me, I want you
Feels like I've always known you

R: On a night like this...

*: Seems I've known you a lifetime
Now it's time to make you mine
On a night like this... (2x)

You kiss me, I'm falling, you touch me
On a night like this just wanna be together

R: On a night like this...
