

Say Hey

Kylie Minogue

It's getting late
You might be sleeping
I couldn't wait
I'm caught up with feeling this way
Don't want to disturb you
But I must just to say hey

I'm missing you
I wish you were with me
The water's warm
It's making me in the mood to play
So good to disturb you
If you please, I need to say, hey

I'm missing you
I wish you were with me
