

## There Must Be An Angel (Playing With My Heart)

Kylie Minogue

No-one on earth could feel like this.  
I'm thrown and overblown with bliss.  
There must be an angel  
Playing with my heart.  
I walk into an empty room  
And suddenly my heart goes "boom"!  
It's an orchestra of angels  
And they're playing with my heart.  
(Must be talking to an angel)  
No-one on earth could feel like this.  
I'm thrown and overblown with bliss.  
There must be an angel  
Playing with my heart.  
And when I think that I'm alone  
It seems there's more of us at home.  
It's a multitude of angels  
And they're playing with my heart.  
repeats.  
I must be hallucinating  
Watching angels celebrating.  
Could this be reactivating  
All my senses dislocating?  
This must be a strange deception  
By celestial intervention.  
Leavin' me the recollection  
Of your heavenly connection.
