Kylie Minogue

Read my lips  
I'm into you  
I'm into you  
I can't resist  
You're so hot (get me into the shade)  
The spotlight's on  
You take me to it  
You like it and  
Just the way that you dance  
Just the way that you dance

(Yeah, yeah) Is enough to love you baby  
(Yeah, yeah) Is enough to send me crazy  
(Yeah, yeah) Such angelic motion  
(Yeah, yeah) You know you're made in heaven

The way you walk  
The rhythm when you're dancing  
Every inch of you spells out desire  
You're such a rush  
The rush is never ending  
Now, you got it, you're wow, wow, wow, wow  
You got it; you're wow, wow, wow, wow

The more I try, I try to stop  
The more I can feel my antenna just sensing you up  
What can I do?  
I'm into you  
I'm into you  
Love the way that you move  
Just love the way that you move

(Yeah, yeah) Such angelic motion  
(Yeah, yeah) You know you're made in heaven

The way you walk  
The rhythm when you're dancing  
Every inch of you spells out desire  
You're such a rush  
The rush is never ending  
Now, you got it, you're wow, wow, wow, wow  
You got it; you're wow, wow, wow, wow

W-woah ooh, ooh  
W-woah ooh  
W-woah ooh, ooh  
W-woah ooh

The way you walk  
The rhythm when you're dancing  
Every inch of you spells out desire  
You're such a rush  
The rush is never ending  
Now, you got it, you're wow, wow, wow, wow

The way you walk  
The rhythm when you're dancing

Every inch of you spells out desire  
You're such a rush  
The rush is never ending  
Now, you got it, you're wow, wow, wow, wow  
You got it; you're wow, wow, wow, wow
