

Don't Break My Heart

Kym Marsh

Once in your life
Love comes along
To take your breath away
Tender and true
Shared between two
To last for always
Love can tell so many stories
Tragedies of fallen glories
Promises are broken every day

Don't break my heart
Don't let me down
'cause you're the only one for me
Don't walk away
Don't let me go
When we have just begun
The only thing I ask of you
Is don't break my heart

So now you know
How did it go
I would give anything
All that I am
And all I can give
To keep you here with me

Love can take us many places
When it calls there is no escaping
Promise me that you are here to stay

Don't break my heart
Don't let me down
'cause you're the only one for me
Don't walk away
Don't let me go
When we have just begun
The only thing I ask of you
Is don't break my heart
don't make me love for you again
Until my tears are falling like
Memories fade but love will remain
Love will remain

Don't break my heart
Don't let me down
'cause you're the only one for me
Don't walk away
Don't let me go
When we have just begun
The only thing I ask of you
Is don't break my heart

The only thing I ask of you is don't break my heart
