Kyuss

One blow till I take ya down, I'll take ya down  
one spoke and your head spins around and around  
chrome mags, a million drags, a never lags,  
and old transform queen momma you've never seen

hear a purrin motor  
and she's a burnin' fuel  
push it over baby  
oh makin' love (un)to you

power booster, I'm talkin' to god and more  
crank it up and above my head  
smell my shit eatin grin on the skids of my world  
six hundred sixty six miles per hour

hear a purrin motor  
and she's a burnin' fuel  
push it over baby  
oh makin' love.....

hear a purrin' motor  
and she's a burnin' fuel  
oh baby burnin'  
push it over baby  
oh makin' love (un)to you  
makin' love (un)to you  
makin'

get back, get back a rolling  
get back, get back a rolling  
get back, get back a rolling  
get back, get back the motherfucker  
get back, get back a rolling  
get back, get back the motherfucker  
get back, get back the motherfucker
