

## Green Machine

Kyuss

I've got a wall inside my head  
It's got to set your soul free  
I've got a Wheel inside my head  
The wheel of understanding

I'm a loading, a loading my war machine  
I'm contributing to the system,  
The break down scheme

I'm a shutting down, I'm shutting down, your greed for green,  
I am here to gun it down  
I gotta do

I see pretty flowers at my feet  
cool breeze, clean air, hospitality,  
pretty please, a pretty please, pretty please,  
get the hell away from me

I'm a loading, a loading my war machine  
I'm contributing to the system,  
the break down scheme

I'm a shutting down, I'm shutting down, your greed for green,  
I am here to gun it down  
I gotta do
