

## If Only Everything

Kyuss

If it gets you down  
Well then I want it  
If it gets you up, well  
I don't want it  
Lets you down  
So broken hearted  
If it gets you down  
Well then I want it

If only we're nothing at all

So blow my mind  
It's just so crazy  
Those long, long days  
Just make it eighty  
So roll the wheel  
And there it goes  
And where it stops  
You never know  
If it gets you down  
Then just don't blame me

If only we're nothing at all
