

# Whitewater

Kyuss

Oh sunshine,  
The loving beauty,  
Pass me by,  
Should I waste my time  
In your valley,  
Beneath your sky?

Aah  
Aah  
Aah  
Aah, I am home

You move your own mountain,  
The trees have grown,  
The trees have grown,  
Now it's over,  
Now it's over and I'm coming home

Aah  
Aah  
Aah  
Aah, I am home
