

## 3 Minute Atomic Egg

L.A. Guns

Yeah, it's gonna be alright  
Cause we're drafting out in space

Come with me along the way  
We're drifting out in space  
Climb into my rocket jet  
We'll never miss this place  
Say goodbye to all your friends  
They're gonna disappear  
Ride a super highway  
To a million miles from here

Yeah, yeah, yeah, yeah  
Yeah, it's gonna be alright  
Cause we're drafting out in space

Yeah, yeah, yeah, yeah yeah yeah yeah  
Yeah, it's gonna be alright  
Cause we're drafting out in space  
Yeah, it's gonna be alright  
Cause we're drafting out in space
