

Ain't The Same

L.A. Guns

Hey Baby, baby, you drive me crazy
I'm gonna leave you one more time
Don't try to stop me
Don't say you love me
I've gotta have my way this time

If I try hard enough
I'll live without your love
This time it's plain to see
That it's no good for you
It's no good for me

It just ain't the same without you
Now these nights are so long
It just ain't the same without you
Now I know I was wrong

I'm so sorry
I must have been crazy
How could I leave this love behind
I'm so lonely
Just like you told me
Take me back just one more time

It just ain't the same without you
Now these nights are so long
It just ain't the same without you
Now I know I was wrong
