

## Ain't The Same

L.A. Guns

Hey Baby, baby, you drive me crazy  
I'm gonna leave you one more time  
Don't try to stop me  
Don't say you love me  
I've gotta have my way this time

If I try hard enough  
I'll live without your love  
This time it's plain to see  
That it's no good for you  
It's no good for me

It just ain't the same without you  
Now these nights are so long  
It just ain't the same without you  
Now I know I was wrong

I'm so sorry  
I must have been crazy  
How could I leave this love behind  
I'm so lonely  
Just like you told me  
Take me back just one more time

It just ain't the same without you  
Now these nights are so long  
It just ain't the same without you  
Now I know I was wrong
