People been talkin' about you And I just can't believe my ears There's an apb out for you And you confirmed my darkest fears

Here we go now in a crazy tango
Take your partners if you please
I hear you taste like cherry mango
With a summer breeze, right between your knees

Gonna break you down
I'm gonna break you down
I'm gonna break you down
Goin' all around
Goin' all around
Goin' upside down

I thought I knew all about you And oh my God, how wrong was I There's a name for you, my dangerous friend It shouldn't come as no surprise

Ever wonder what they want from you It ain't your trust fund backstreet chic You turned from prey into a hunter babe With a killer streak, ever so unique

Gonna break you down
I'm gonna break you down
I'm gonna break you down
Goin' all around
Goin' all around
Goin' upside down
Oh!

Yeah! Oh! Yeah!

Gonna break you down Gonna break you down Gonna break you down Goin' all around Goin' all around Goin' upside down

Gonna break you down Gonna break you down Gonna break you down Goin' all around Goin' all around Goin' upside down
