

Cry Little Sister

L.A. Guns

Blue masquerade
Strangers look up
When will they learn
This loneliness?

My shangrila
I can't forget
Why you were mine
I'll need you now

Cry little sister
(Thou shall not fall)
Come to your brother
(Thou shall not fall)

Unchain me sister
(Thou shall not fear)
Love is with your brother
(Thou shall not kill)

The last fire will rise
Behind those eyes
Black house will rock
Blind boys don't lie

Immortal fear
That voice so clear
Through broken walls
That scream I hear

Cry little sister
(Thou shall not fall)
Come to your brother
(Thou shall not fall)

I won't lie little sister
(Thou shall not fear)
Love is with your brother
(Thou shall not kill)

Cry little sister
(Thou shall not fall)
Come to your brother
(Thou shall not fall)

Unchain me sister
(Thou shall not fear)
Love is with your brother
(Thou shall not kill)

Cry little sister
(Thou shall not fall)
Come to your brother
(Thou shall not fall)

Unchain me sister
(Thou shall not fear)

Love is with your brother
(Thou shall not kill)
