

Gypsy Soul

L.A. Guns

Sister Meretricious was young and quite delicious
And just a little vicious too
All the rock n rollers did their hardest to control her
But I could've told them who

And I can't control my gypsy soul
And I can't let go my gypsy soul

Did I see you on Doheny in a leather black bikini
With a dominatrix genie last night
And to add to the confusion you were using your illusion
And shocking everybody in sight

And I can't control my gypsy soul
And I can't let go my gypsy soul

I don't want you don't want you to go
I don't need you don't need you to know

And I can't control my gypsy soul
And I can't let go my gypsy soul

I don't want you don't want you to go
I don't need you don't need you to know
I don't want you don't want you to go
I don't need you don't need you to know
