I'd Love To Change The World

L.A. Guns

Everywhere is freaks and hairies Dykes and fairies Tell me where is sanity?

Tax the rich
Feed the poor
Till there are no rich no more?

I'd love to change the world But I don't know what to do So I'll leave it up to you

Population keeps on breeding Nation bleeding Still more feeding, economy

Life is funny, skies are sunny Bees make honey Who needs money? Monopoly

I'd love to change the world But I don't know what to do So I'll leave it up to you

World pollution
There's no solution
Institution, electrocution

Just black and white Rich or poor
Them and us
Stop the war

I'd love to change the world But I don't know what to do So I'll leave it up to you
