

# I Found You

L.A. Guns

Somebody love me  
Somebody care  
Somebody hold me  
When I am scared  
Somebody reach out and hold my hand  
Somebody somewhere must understand

I found you  
You wanted me too

Somebody touch me  
Somebody give  
Give me a reason  
I wanna live  
Oh, I don't ask for much  
All I want darling is a little trust

I found you  
You wanted me too  
I found you  
You wanted me too

Somebody trust me, Somebody care  
I ain't got much, girl  
But I'm willing to share  
Oh it's hard, this world can be so cold  
We all need a little love  
It's what makes us whole

I found you  
You wanted me too
