

I Wanna Be Your Man

L.A. Guns

See me coming
Down the road
I'm coming down the road
Standing by the end of the line
What u gonna do

Intuition can't u see
Mistreator got the shake on me
Fire and water rollin' dice
I'm gonna get u
No matter the price

I'm a hard man 2 fight
I'm an easy man 2 please
Baby don't u mess with me
Cause u couldn't take the heat
I wanna be your man
I wanna be your lover baby
I wanna be your man

No complication let me explain
I'll take u higher than an airplane
Look in the mirror
What do I see
I see the devil
And he's looking at me

I'm a hard man 2 fight
I'm an easy man 2 please
Baby don't u mess with me
Cause u couldn't take the heat
I wanna be your man
I wanna be your lover baby
I wanna be your man
