

## Let There Be Rock

L.A. Guns

In the beginning  
Back in nineteen fifty five  
Man didn't know 'bout a rock 'n' roll show  
And all that jive  
The white man had the schmaltz  
The black man had the blues  
No one knew what they was gonna do  
But Tschaikovsky had the news  
He said let there be sound  
There was sound  
Let there be light  
There was light  
Let there be drums  
There was drums  
Let there be guitar  
There was guitar  
Let there be rock

And it came to pass  
That rock 'n' roll was born  
All across the land every rockin' band  
Was blowin' up a storm  
And the guitar man got famous  
The business man got rich  
And in every bar there was a superstar  
With a seven year itch  
There was fifteen million fingers  
Learnin' how to play  
And you could hear the fingers pickin'  
And this is what they had to say  
Let there be light  
Sound  
Drums  
Guitar  
Let there be rock

One night in the club called the shakin' hand  
There was a 42 decibel rockin' band  
And the music was good and the music was loud  
And the singer turned and he said to the crowd  
Let there be rock
