

# Letting Go

L.A. Guns

Oh yeah!  
Baby  
Here we go  
Got you loaded  
Nighttime rodeo  
Oh, a one night stand  
Nasty, nasty, nasty, nasty man

Letting go  
Set the world on fire  
Letting go  
She's been my one desire  
Letting go  
He's gonna take you down  
Letting go  
We're gonna get crazy
