

Sweet Mystery

L.A. Guns

I'll give you anything that you want
I'm with you every step of the way
I'll never be the one that let's you down
Listen to every word that you say

And, oh, sweet mystery
Oh, bittersweet

When you were running through my mind
A million neon sparks ignite
You've got the eyes of the queen of the feline
Resurrected from the time of raphaelite

And, oh, sweet mystery
And, oh, bittersweet

Oh, oh-oh-ho
Oh, oh-oh-ho
Oh

Oh, oh-oh-ho
Oh, oh-oh-ho
Oh

And, oh, sweet mystery, sweet mystery
And, oh, sweet mystery, sweet mystery
And, oh, sweet mystery, sweet mystery
And, oh, bittersweet
