Sweet Mystery

```
I'll give you anything that you want
I'm with you every step of the way
I'll never be the one that let's you down
Listen to every word that you say
And, oh, sweet mystery
Oh, bittersweet
When you were running through my mind
A million neon sparks ignite
You've got the eyes of the queen of the feline
Resurrected from the time of raphaelite
And, oh, sweet mystery
And, oh, bittersweet
Oh, oh-oh-ho
Oh, oh-oh-ho
Oh
Oh, oh-oh-ho
Oh, oh-oh-ho
Oh
And, oh, sweet mystery, sweet mystery
And, oh, sweet mystery, sweet mystery
And, oh, sweet mystery, sweet mystery
And, oh, bittersweet
```
