

The Ballad Of Jayne

L.A. Guns

She was always something special
Diamond shining bright in the rain
Everybody dreams of angels
No one would ever know
How much I love you so

Now it all seems funny, kinda like a dream
Things aint always what they seem
What a shame, what happened today

You were always on my mind
Shine like a summer day in the sun
Slowly wishes turn to sadness
Time dont heal a broken gun
I wish I never let you go
Even now I just want you to know

That it all seems funny, kinda like a dream
Things aint always what they seem
What a shame, what happened today

Now shes breakin hearts in heaven
Shinin bright in the sky
I still hear of us in the wind
I still think of you in the night, oh yeah
Well I guess youll never know
How much I need her so

Now it all seems funny, kinda like a dream
Things aint always what they seem
What a shame, what a shame
What happened today

Now it all seems funny, kinda like a dream
Things aint always what they seem
What a shame, what happened today
What happened today
