

# Underneath The Sun

L.A. Guns

Would you take me home, my love can't be here anymore  
I swear I heard the door  
I don't mean to be absurd, but you haven't said a word  
Let's see who's crying first

And I don't think that I've done wrong  
And I wonder if you do  
Do you?

When you're underneath the sun  
The days can seem so long  
And you wonder where you've gone  
Tell me, baby, when I'm down and out for you  
I'm done, will you be there when I get home

It's been tough all summer long, I burned my skin again  
When I melted through the phone  
So I'm asking now, my love just take me back again  
I can't lose you as a friend

And I don't think that I've done wrong  
And I wonder if you do  
Do you?

When you're underneath the sun  
The days can seem so long  
And you wonder where you've gone  
Tell me, baby, when I'm down and out for you  
I'm done, you're gonna be there when I get home

And I don't think that I've done wrong  
And I wonder if you do  
Do you?

When you're underneath the sun  
Days can seem so long  
And you wonder where you've gone  
Tell me, baby, when I'm down and out for you  
I'm done, you're gonna be there when I get home

When you're underneath the sun  
The days can seem so long  
And you wonder where you've gone  
Tell me, baby, when I'm down and out for you  
I'm done, you're gonna be there when I get home
