

# Waking The Dead

L.A. Guns

Yeah yeah yeah  
This is the noise that I make when I wake the dead  
Oceans collide inside my head  
I have no fear, no use for pain  
I am omnipotent

Yeah yeah yeah  
Come wake the dead  
Waking the dead  
Waking the dead  
Yeah yeah yeah

This is the noise that I play when I raise the dead  
Can't get this song out of my head  
Black zombie radio  
Come with me where I go

Yeah yeah yeah  
Come wake the dead  
Waking the dead  
Waking the dead

Yeah yeah yeah  
Come wake the dead  
Waking the dead  
Waking the dead

I have no fear  
No use for pain, pain, pain, pain  
Oceans collide inside my head, head, head, head  
Raise the dead, dead  
Raise the dead, dead  
Raise the dead
