

Lover Boy

L'Arc~en~Ciel

Atsuku me wo sumashite kimi to ajiwaiaou
Dream on till night, be sailin' on your life
tonight, want your blood

Fukaku kande ima toraete iru yo
Dakiai aou I'm a lover boy

Kodoku wa mayakashi nagasareru mama ni
Wonder tonight, be getting your jaded heart
tonight, shaking the blood

Sorou kokyuu kara ima sora made yuku yo
Kowasu hodo ni cause I'm a lover boy
Yasashiku sasoidashite kimi no oku e yukou
Subete miseyou I'm a lover boy

Don't be shy, show your love! show your love!
Don't be ignorant, show your colors! show your colors!
Don't let me know your lie, your lie!
Stay tonight till the night, next night!

tonight, shaking!
tonight, looking for the blood!

Fukaku kande ima toraete iru yo
Dakiai aou cause I'm a lover boy
Afuredashiteku boku wo nokosazu nomihoshite
Tokete iyou I'm a lover boy

Sorou kokyuu kara ima sora made yuku yo
Kowasu hodo ni cause I'm a lover boy
Yasashiku sasoidashite kimi no oku e yukou
Subete ageyou I'm a lover boy
I'm a Lover!
