

## Let's Rock Tonight

L7

Let's rock tonight  
Let your hair down  
Don't be so uptight  
Come on let's rock and roll  
You rocked my body  
Now you're rocking my soul  
Let's rock  
Come on let's rock  
Well are you ready to play  
I've got my guitar and I'm ready don't wait  
Come on over  
And we'll really rock  
The way you head bang  
Puts me into a shock  
Let's rock  
Come on let's rock  
Don't be shy, yeah  
You'd better cook  
You smell the bait,  
Now you swallow that hook  
Now's the time  
Yeah it's time to smoke  
Go ahead and laugh  
'cause this ain't no joke  
Come on  
Come on let's rock  
Get off your ass  
And let's rock
