

She's got a gun
Just make her day
Don't fuck with her
She'll blow you away
She walks the streets at night
And they think she is a whore
She's gotta deal with you
She's gonna even out the score
ms. 45

They don't let you
She's gonna make them pay
Now her right is it
You won't get away
She walks the streets at night
And they think she is a whore
She's gotta deal with you
She's gonna even out the score
ms. 45

She's got a big gun
She's gonna make those assholes pay
You fuck with her
She'll blow your ass away
She walks the streets at night
And they think she is a whore
She's gotta deal with you
She's gonna even out the score
