## **One More Thing**

I've just had enough I'm drowning from too much stuff I get scared when the telephone rings Someone talking about one more thing One more thing Yeah, it's one more thing One more thing to put in line One more thing to waste my time One more thing that I can't take One more thing and I'm gonna break You need more, get in line Too many things grabbing at my time I'll tell you brother, right out flat I'm gonna have to throw you back One more thing Yeah, you're one more thing Yeah, you're one more thing to put in line One more thing to waste my time One more thing that I can't take One more thing and I'm gonna break Yeah, you're one more thing Yeah, you're one more thing I fix my engine and the tire goes flat It's one more thing that I can't have Politics messing with my rights There's nothing fun to do tonight One more thing Yeah, it's one more thing Yeah, it's one more thing to put in line One more thing to waste my time One more thing that I can't take One more thing and I'm gonna break Yeah, it's one more thing Yeah, it's one more thing Yeah, it's one more thing Yeah, it's one more thing
