

## This Ain't Pleasure

L7

No raving beauty  
But she's got a good heart  
He's got escaping  
Down to an art  
This ain't pleasure  
Don't ask why  
This ain't pleasure  
And monkeys can't fly  
She's an infection  
A stain on his soul  
He's her addiction  
They're out of control  
This ain't pleasure  
Don't ask why  
This ain't pleasure  
And monkeys can't fly, oh no  
This ain't pleasure  
Don't ask why  
This ain't pleasure  
And monkeys can't fly
