

Body + Soul

La Bouche

Ooooooooo

Tingles down my body, from my head down to my feet.

Such a sweet sensation, it makes me feel so real.

I give you my body and my soul.

Giving you my body and my soul.

I'll be giving you my body and my soul.

Giving you my body and my soul.

I'll be giving you my body and my soul.

Makes me wanna do the things

Body's still exciting me

Makes me wanna do the things

A girl's not supposed to do

Tingles down my body

Such a sweet sensation

Makes me feel so real

I give you my body and my soul.

Wooh my body

Woohwooh wohwooh my body

Don't you know I'll give you all

Wooh my body
