

In Your Life

La Bouche

In your life, in your life
In your life, in your life
In your life, in your life
In your life, in your life

In your life

Sitting on a ferris wheel
Watching the world go round and round it goes
Maybe that's how lovers feel
Up and down, where it stops nobody knows

How many tears
Or how many broken hearts
Just how many sorrows
How much you take

(In your life)
In your life, in your life
In your life, in your (in your life) life
In your life, in your life
In your life, in your (in your life) life

Nobody knows
Ole ole, ole ola
(In your life)
In your life
Ole ole, ole ola

Lonely heart of a little boy
Waiting for his daddy with the brand new toy
Lonely eyes of a pretty little girl
get of a love 'cause they don't know

How many tears
Or how many broken hearts
Just how many sorrows
How much you take

(In your life)
In your life, in your life
In your life, in your (in your life) life
In your life, in your life
In your life, in your (in your life) life

Nobody knows
Ole ole, ole ola
(In your life)
In your life
Ole ole, ole ola

In your liiiife

Nobody knows...

I know I could be in your life
Forever in your life

I know I should be by your side
Forever in your life
This it what it all comes down to

(In your life)
This it what it all comes down to

(In your life)
In your life, in your life
In your life, in your (in your life) life
In your life, in your life
In your life, in your (in your life) life

Nobody knows
Ole ole, ole ola
(In your life)
In your life
Ole ole, ole ola

(In your life)
Nobody knows
Ole ole, ole ola
(In your life)
In your life
Ole ole, ole ola

In your life
