

Mama Look (I Love Him)

La Bouche

Mama look, I love him
Mama look, I love him
Mama look, I love him
Mama look, I love him
Mama look, I love him
Mama look, I love him
So

You should never judge a book by the cover
Take another look inside
Trust me when I say he ain't just a lover
He's the only one who's mine
I tell you

Look Mama
Look Ma-Mama

Oh oh oh oh hey hey oh oh oh oh hey oh look Mama
Oh oh oh oh hey hey oh oh oh oh hey oh look Ma-Mama

Sure he doesn't look like doctors and lawyers
But it doesn't mean a thing
He's got better answers than high-class...?
Mama you should hear him sing
I tell you,
