

S.O.S.

La Bouche

Sending you an S.O.S of love
You're all I'm thinking of
Would you be mine
Be my destiny tonight
Sending you an S.O.S of love
You're all I'm thinking of
Would you be mine
Be my destiny, my everything in love

Every night before I turn out the light
I get down on my knees
And I pray for the day
When we can become
A little closer to one
And baby then you'd be ready,
Ready to hear my S.O.S.O.S.O.S,
Can you see that I am....

Dit dit dit dash dash dash dit dit dit

Just when I knew that I was in love with you
I thought I couldn't be, be that I could deny,
The chance to express and offer you happiness
And baby now I am ready,
Oh won't you hear my S.O.S.O.S.O.S.O.S
Can't you see that I am....

So I'm sending you S.O.S of love tonight
Dit dit dit dash dash dash dit dit dit

Destiny its here for you it's here for me,
Sending out an S.O.S of love devine,
On the line give it to you rain or shine
In my heart its you I want, you I need
Girl you I crave.

Dit dit dit dash dash dash dash dit dit dit

So hear my S.O.S
I'll send it with a kiss from me
S.O.S I love the way you touch my body
(Uuuuuuh...) Now that I found you I'll never let you go
And that's why I am....

So I'm sending you S.O.S of love tonight
