

# These Boots Are Made For Walking

La Grande Sophie

You keep saying  
You've got something for me  
Something you call love  
But confess  
You've messing  
Where you shouldn't have been messing  
Now someone else is getting all of your best

These boots are made for walking  
And that's just what they'll do  
One of these days these boots are gonna walk all over you

You keep lying  
When you outta be truthing  
You keep losing  
When you outta not bet  
You keep saming  
When you outta be changing  
What's right is right  
But you ain't been right yet

These boots are made for walking  
And that's just what they'll do  
One of these days these boots are gonna walk all over you

You keep playing where you shouldn't be playing  
You keep thinking that you'll never get burnt  
I've just found me a brand new box of matches  
And what it knows you ain't had time to learn

These boots are made for walking  
And that's just what they'll do  
One of these days these boots are gonna walk all over you

Are you ready, boots?  
Start walking
