

# In for the Kill

La Roux

We can fight our desires, oo-oo  
But when we start making fires  
We get ever so hot, oo-oo  
Whether we like it or not

They say we can love who we trust, oo-oo  
But what is love without lust.  
Two hearts with accurate devotion, oo-oo  
What are feelings without emotions?

I'm going in for the kill  
I'm doing it for a thrill  
Oh, I'm hoping you'll understand  
And not let go of my hand  
I had my hopes out on the line, oo-oo  
Well they'll be ready for you in time.  
If you leave them out too long, oo-oo  
They'll be withered by the sun.

Full stops and exclamation marks, oo-oo  
My heart stopped moving 'fore I start.  
How far can you send emotions? oo-oo  
Can this bridge cross the ocean?

Let's go to war to make peace  
Let's be cold to create heat  
I hope in darkness we can see  
And you're not blinded by the light from me

Woo-ooo-ooo-ooo-ooo-ooo-ooo-ooo-ooo-ooo

[Chorus]
