

Sexotheque

La Roux

He wants to know
What it feels like
To mess around, mess around
She wants to know
What it feels like
To settle down, settle down

He's got the money but
Oh it's not enough
He wants to pounce
He wants to pounce

Never know if he's giving you up
Are you just not good enough

Ooh ooh ooh ooh ooh - ooh
Ooh ooh ooh

She wants to know why he's not home
Oh I bet money money money I bet
He's at the sexotheque
He never answers the phone
Oh I bet money money money I bet
He's at the sexotheque

He wants to go
Where the red lights
Shine so bright, shine so bright
He wants to know
Why he feels so cold inside, cold inside

He turns and looks around
He doesnt hear a sound
No ones around, no ones around

Never know if he's giving you up
Are you just not good enough

Ooh ooh ooh ooh ooh - ooh
Ooh ooh ooh ooh

She wants to know why he's not home
Oh I bet money money money I bet
He's at the sexotheque
He never answers the phone
Oh I bet money money money I bet
He's at the sexotheque

She wants to know why he's not home
Oh I bet money money money I bet
He's at the sexotheque
He never answers the phone
Oh I bet money money money I bet
He's at the sexotheque

She wants to know why he's not home
Oh I bet money money money I bet

He's at the sexotheque
He never answers the phone
Oh I bet money money money I bet
He's at the sexotheque

She wants to know why he's not home
Oh I bet money money money I bet
He's at the sexotheque

Ooh ooh ooh ooh ooh - ooh
Ooh ooh ooh ooh

He's at the Sexotheque
