

## Don't Stay

La Sera

Another night gone wrong  
You tried to stay and belong  
But once I see, you looked at me  
I feel the pull inside to leave  
Don't stay  
Don't stay  
Your look of love makes me feel numb  
I have no doubt it's over now  
Don't stay  
Don't stay  
Don't stay  
Don't stay  
Don't stay
