

It's Over Now

La Sera

Been a long and lonely time
Don't ask me to be fine
It's not for you to understand
When you walked into my life
I didn't sacrifice
I don't want you to be my man
I know that you've been in pain
And I see that I'm to blame

I throw my hands up in the air
Because it's over now
Over now
You'll feel better once we're not together
Cause it's over now
Over now

Play the game and you might lose
You've got a lot to prove
I'm tired and it's not your move
Leave me now and don't ask why
It's not your turn to cry
I'm sorry but my hands are tied
I know that you've been in pain
And I see that I'm to blame

I throw my hands up in the air
Because it's over now
Over now
You'll feel better once we're not together
Cause it's over now
Over now
